Sub: - Permission to conduct Autodesk Revit Certificate course

Respected Sir,

With reference to above cited subject, I Ar. Surendra Pawar would like to request you allow me to conduct a certificate course on Autodesk Revit in Architecture and Design. The students of 3rd and 4th year need to present their Architectural Design submission in with rendered views and section elevation in and as per university syllabus they are supposed to do the same using relevant software. Students have discussed the issue of learning Revit with the faculty.

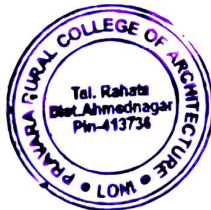

I would like to take the responsibility for conducting the Revit certificate course. Further, if you permit, I would prepare the syllabus for the same and send for your kind approval.

Yours Faithfully,

Ar. Surendra Pawar

Approved.

Respected Sir,

With reference to above cited subject, I Ar. Nilima Dhamal would like to request you allow me to conduct a certificate course on English Speaking. After speaking to Students we have noticed that most of them coming from rural background face issues in communicating in English language.

I would like to take the responsibility for conducting the English-Speaking certificate course. Further, if you permit, I would prepare the syllabus for the same and send for your kind approval.

Yours Faithfully,

Ar. Nilima Dhamal
