Coordinator	Ar. Pankaj Bankar
Aim:	To conduct Mind Power Workshop for Personality Development
Objectives of Workshop:	The workshop aims to empower participants with the knowledge, tools, and mindset to challenge gender biases, promote inclusivity
Day & Date	Wednesday, March 06, 2019
Duration:	4 Hours

Summary:

Introduction:

An empowering Mind Power Workshop was conducted during the academic year 2018-19 at the Engineering College Seminar Hall. The workshop aimed to provide participants with the knowledge, tools, and mindset to challenge gender biases and promote inclusivity.

Workshop Details:

The workshop took place on Wednesday, March 06, 2019, and lasted for a duration of 4 hours. Mr. Pankaj Bhadge from the Mindset Transformation Academy was invited as the guest speaker.

The workshop focused on empowering individuals to overcome biases and create an inclusive environment where everyone's potential is recognized and valued.

Conclusion:

A total of 122 students attended the Mind Power Workshop and actively participated in the discussions and activities. The efforts of Ar. Rajeshwari Jagtap, the principal, and Ar. Pankaj Bankar, the coordinator of the workshop, were commendable in organizing such an impactful event. The workshop successfully equipped participants with the necessary tools and mindset to challenge gender biases and promote inclusivity in their personal and professional lives.

During the academic year 2018-19, an Autodesk Revit Certificate Course was conducted with a daily duration of one and half hours from July 3rd, 2018 to July 27th, 2018. The course was coordinated by Ar. Saif Sayyad, a professional architecture faculty. The objectives of the course were to provide an understanding of Building Information Management (BIM) and its application in the Autodesk Revit software, navigate the Revit workspace and interface, work with basic drawing and editing tools, create levels and grids as datum elements, develop a 3D building model with various architectural elements, and create component-based and custom stairs. The course was led by Principal Ar. Pradip Balote, with Mr. Pragati Auti serving as the student coordinator. The course was held at the Computer Lab in PRCA, with a total of 74 students in attendance.
